CHRIS ROCK, actor (Head of State, Down to Earth) ▼ **Favorite Read:** *Invisible Man* by Ralph Ellison (Vintage Books, \$13). "Because I didn't go to a fancy school, I get these books late in life (laughs). Absolutely everything spoke to me about it. It's an incredible book."

AL THOMPSON, actor (Love Don't Cost a Thing, The Royal Tenenbaums) ▼ **Favorite Read:** *Rich Dad Poor Dad* by Robert T. Kiyosaki and *Sharon L. Lechter* (contributor) (Warner Books, \$16). "As a young single black actor from Harlem who has no kids and no real bills this book taught me to avoid the things I want [to get] the things I need. So I tuned out MTV's *Cribs* and invested in Harlem real estate."
